

Let's build them a future **BRICK BY BRICK**

Why leave her homeless?

Our aim is to commence building an orphanage, clinic and school for some of the 600,000 street children of Kabul.

We have the land but not the bricks.

Be part of this project by purchasing your personalised bricks (see over).

Your bricks will be the corner stone of her shelter and joy.

TENTS4PEACE Inc. is a grass-roots community-based organisation bringing relief to the women and children of Afghanistan. www.tents4peaceinternational.com.
